FROM OLD KENTUCKY

MRS. W. E. EVANS WRITES INTERESTING LETTER FROM HER NATIVE STATE

Pineville, Ky., Sept. 24, 1916.
EDITOR GLENDALE NEWS,
Dear Sir:—

In response to your request that I send you a word from Old Kentucky I will say that "old" Kentucky is certainly appropriate.

Everything is old here. I did not realize until after I had been in the new, progressive West for seven years, just how old and time-worn and venerable Kentucky really is. This antiquity, however, is the mark of aristocracy to the resident Kentuckians, some of whom still keep the old family silver brightly polished while they must needs darn their socks and patch their clothes to live up to their traditions.

When we arrived in Louisville it seemed to me like meeting a dear friend for the second time in the same spot on the same street in the same day. Nothing was changed. When we boarded the train in the old Tenth Street station for London we greeted the same conductor who has collected tickets on that same train since I made my first trip to Louisville at the age of five.

As we passed out of the city and on into the country it seemed that even the weeds by the road side were the same old bunches of "plantain" and red-top.

The old split rail fences wandered aimlessly around. The same old fields of hemp and corn, and the same old negroes sat cross-legged on the top rail and watched the train go by.

Here and there on the crest of a softly rolling green hill sat a well built Southern homestead, surrounded by towering maples and oaks. These well groomed places were in sharp contrast to the neglected fields which adjoined them, although even the most prosperous looking corn field on the most prosperous looking farm had its inevitable row of wild blackberry bushes around the fence.

Another scene which interested me and which was most typical of Kentucky was a large race track around which several jockeys in bright colored blouses were "warming-up" their mounts in preparation for the county fair which was to begin the next day.

We are now in Pineville, which is located right in the heart of the Kentucky mountains. It is a thriving, city-like little town with beautiful residences and good business blocks. The court house square is the civic center of the place and its spacious lawn and old trees fill the place of a park very nicely.

Last evening we were taken by machine to Cumberland Gap, the particular spot in the Kentucky Mountains which has been made famous by the novelist, John Fox, Jr.

The road, the Dixie Highway, took us by way of Middlesborrough, where twenty years ago an English land company created a boom and built a town and a large tourist hotel. The boom of course did not last, but the plucky little mountain city has held her own, fed by the surrounding coal mines, until now she stands as the gateway to Tennessee, Virginia and the far south.

From Middlesborrough we motored over a beautiful, winding, mountain road up to the famous gap. Here one may stand with one foot in Kentucky, the other in Tennessee, and with either hand reach over into Virginia and pluck a bit of mountain laurel.

On the Kentucky side the Kentucky, Tennessee, Virginia, and North Carolina chapters of the Daughters of the American Revolution have erected a marker on the old Boone trail. This trail through the Gap was traveled many times by the young wanderer. He passed through first in or about the year 1769 and camped near the site of the marker. He then returned for his brother and some more gunpowder and came over again. His last trip was about 1775.

It was indeed a fitting tribute to the memory of Daniel Boone to erect this monument on the paths which his feet wore smooth so many years ago on his pilgrimages to the "dark and bloody hunting ground."

Just across the border in Virginia is Big Stone Gap, also made famous by John Fox. From this Gap one may climb the "trail of the lonesome pine" and touch the bark of the lonesome pine itself. Near this spot John Fox has erected a beautiful summer home.

I think this is about all I can tell that would be of interest to you or your readers.

The copies of the News which you have kindly mailed are reaching us regularly and we are glad to keep in touch with happenings "at home."

I am enjoying my visit very much but I do not consider it disloyal to the State of my birth when I say—California for mine!

Very sincerely,

CECIL C. EVANS.

NEW K. OF P. LODGE

PROGRESS REPORTED ON BUILDING IN TROPICO FOR THE PYTHIAN KNIGHTS

Some time ago, it will be remembered that Miradero lodge, No. 96, Knights of Pythias, of Glendale, and Visor lodge, No. 293, Knights of Pythias, Tropico, saw fit to amalgamate. The two lodges were found to be in such common territory that as a matter of economy alone it was wisdom to unite them. The new lodge thus ombined has proved so much stronger and so much more influential than the two lodges of the past that it was determined to build a new hall for the meeting of the lodge, which has received the appropriate designation, Twin City lodge, No. 331.

Thursday night the new lodge met in regular session in the hall on San Fernando road. There was a large and enthusiastic session. Various plans for progress were discussed and a spirit of profound harmony prevailed.

The trustees reported that the new home of the lodge, which is being erected on the northwest corner of Brand boulevard and Park avenue, is well on the way to completion. The walls are up to the second story and will be finished before long. It is expected that the new hall will be completed by December 1. This will be a great convenience. Every provision has been made for the comfort and convenience of the lodge members in their new home. The rooms and the main hall have been specially constructed for the convenience of the Knights of Pythias and their ritual and needs.

Following are the officers of the lodge:

Bert Eachus, Chancellor Commander.
Sam Brown, Vice Chancellor.
Langdon Hayne, Prelate.
Ed Shipman, Master of Work.
Wayne Franks, Keeper of Records.
George Tauxe, Master at Arms.
Earl Coleman, Master of Finance.
E. Best, Master of Exchequer.
S. Berman, Inner Guard.
C. E. Nicholson, Outer Guard.
J. J. Burke, E. D. Johnson, Jack Hammond, Trustees.

The lodge meets every Thursday in the hall at Tropico. When the new hall is completed there will be a grand ball held on New Year's eve, as a house warming.

BRAND BLVD. GARAGE UNDER NEW MANAGEMENT

Beginning Sunday, October 1, H. M. Butts, who resides at 1223 Arden avenue, takes possession of the Brand Blvd. Garage, 321 S. Brand Blvd. Mr. Butts is the inventor and manufacturer of the Monarch Placer Machine, and will move the placer machine plant in the garage and continue to make the Monarch Placer Machine in addition to a general line of auto repairs and machine shop work. The front of the building has been subdivided into an office and show room for auto accessories, of which Mr. Butts will carry a complete supply. The interior of the office and show rooms has been redecorated and the stocks are well displayed. To stimulate business at the gas filling station the new proprietor makes an offer to autoists in a display ad in another column.

BRITISH RED CROSS BRANCH

After two months' during which there were no meetings of the society on account of the vacation season, the Glendale Branch of the British Red Cross society will resume its meetings Monday, October 2, at 3 p. m., in the Guild hall of St. Mark's Episcopal church, the usual place of meeting. The meeting will discuss plans for the ensuing year. Mrs. Reginald Whitaker and Miss Ina Whitaker will act as hostesses. It is desired to raise subscriptions for the purpose of sending hampers of Christmas comforts to the soldiers at the front. Through the Overseas club of London Daily Mail these hampers may be dispatched without any trouble further than the forwarding of $1.50 for each hamper. In order that the hampers may reach the front by Christmas the money must be sent from Glendale by Oct. 10 at latest. All interested in the work of the Red Cross are invited to attend.

WEATHER FORECAST — Probable showers tonight and Sunday; cooler; westerly winds.

FRENCH MAKE GAINS IN SOMME FIELD

FIERCE FIGHTING IN RANCOURT REGION ADVANCES FRENCH LINE CONSIDERABLY

(Special Service to Glendale Evening News)

PARIS, Sept. 30.—Fighting in a sea of mud the French troops managed to advance their line considerably north of Rancourt. They still hold the recently captured line between Fregicourt and Morval. Artillery duels are the order of the day and there is every indication that Gen. Foch will force his way forward. The French troops are eager to get into Peronne before the advent of winter forces cessation of active hostilities.

VILLISTAS AGAIN ATTACK CUSIHUIRACHIC

TWO HUNDRED AND FIFTY BRIGANDS ARE DRIVEN OFF BY TROOPS OF GEN. TREVINO

(Special Service to Glendale Evening News)

WASHINGTON, D. C., Sept. 30.—That the Villistas are not defeated to the extent imagined by Gen. Trevino is seen in the fact that they again attacked Cusihuirachic this morning. The mining camp was well defended and as the Villistas only numbered 250 they were driven off without much difficulty, leaving a number of dead and carrying away their wounded. It is believed that these minor attacks are concealing other movements which Villa has in contemplation.

J. P. MORGAN AFTER NEW BRITISH LOAN

AMERICAN FINANCIER SAILS FOR LIVERPOOL TO SECURE PROFITABLE FINANCIAL DEAL

(Special Service to Glendale Evening News)

NEW YORK, Sept. 30.—J. P. Morgan sailed this noon on the American liner New York for Liverpool, for the purpose, it is stated, of floating another British loan. It is said that the amount of the loan will be $250,000,000. The collateral will consist mainly of American securities. The British treasury department some time ago asked for a mobilization of American securities and the British holders of these securities responded at once. There are a large number of excellent securities in the hands of the British financial powers and there is not likely to be much difficulty in floating the loan.

GREEK AVIATION CORPS JOINS ALLIES

GREEK TROOPS DAILY MARCHING TO AID FRENCH AND BRITISH IN FIGHT AGAINST TEUTO-BULGARS

(Special Service to Glendale Evening News)

ATHENS, Sept. 30.—Intense excitement prevails throughout this city. The delay that is taking place in the decision of Greece to join the Allies is bringing closer the possibility of disaster to King Constantine. The army is piecemeal drifting toward the front where the fighting is going on. The latest sensation in this respect was the flight of the whole Greek aviation corps, which went to join the Allies in Macedonia. Ex-Premier Venizelos and his supporters are said to be in communication with the Allied commanders regarding the situation.

REPULSE GERMAN COUNTER ATTACKS

GEN. HAIG'S MEN ARE NOW WITHIN INFANTRY REACH OF SAILLY—WEATHER IS BAD

(Special Service to Glendale Evening News)

LONDON, Sept. 30.—The Germans counter-attacked in the Thiepval sector yesterday and were repulsed. The British troops not only drove back the Teutons but also gained further positions north of the Somme. In pushing on to Sailly Gen. Haig's men are within striking distance of that place. From their strong position in the recently captured Schwaben redoubt the British are threatening the German line as far as Ancre. Thence they are certain to make an advance to Bapaume, the strongly defended strategic position on the German lines.

SOMME OFFENSIVE PROVES PROFITABLE

ALLIES HAVE TAKEN FORTY-FIVE VILLAGES, 62,000 PRISONERS, 285 CANNON, AND 1000 MACHINE GUNS

(Special Service to Glendale Evening News)

PARIS, Sept. 30.—After thirteen weeks' offensive in the Somme region the Allies have made more progress than the Germans did in six months' fighting at Verdun. They have captured 45 villages, all fortified by the Germans in the latest style and pronounced "impregnable." They have taken 62,000 German prisoners, most of them unwounded. They have seized 285 cannon of heavy caliber and 1000 machine guns.

RECEPTION TO NURSES

FACULTY AND STUDENTS OF SANITARIUM ENTERTAIN NEW CLASS

The faculty and upper classes of the Glendale Sanitarium and Training School for Missionary Nurses tendered a reception Thursday evening to the members of the incoming class who have matriculated for a 3-year course of training at this institution. This reception is an annual feature of the Training School and is always marked by a varied and interesting program.

The entertainment was given in the main dining room of the Sanitarium, which had been specially decorated for the purpose. The program began with a piano duet by Misses Bennett and John. This was followed by a short but pertinent talk by Dr. Belle Wood Comstock and this, in turn, was followed by a violin solo splendidly rendered by Miss Susanne Wessells. Elder Beddoe then took occasion to emphasize the spiritual factor in all healing and showed its correlation to the work the nurses will have to perform while at school and after they shall have graduated.

Miss Helen Baylies, president of the senior class, delivered the address of welcome. This was supplemented by a similar address given by Miss May Hansen, president of the junior class. Miss Irene Martin, a representative of the freshman class, gave a fitting response.

This over, the Sanitarium orchestra entertained the audience of two hundred or more with some delightful instrumental music. But, by far, the dominant feature of the program —the "piece de resistance," so to speak—was a clever playlet entitled, "The Value of Training." This was a ludicrous skit designed to differentiate between lax and proper methods in the treatment of the sick. This irresistible, laughable sketch was conceived and enacted by the Misses Bennett, Hendrickson, Miller, LaFollotte, Bergstrom, Hansen and Stanley Shearn, all active students of the Training School for Nurses.

Following this, Dr. D. D. Comstock, Medical Superintendent of the Sanitarium, made a few apt remarks upon the important role which the trained nurse plays in modern-day life. The program for the evening was then brought to a close by the serving of refreshments which regaled the guests the while the orchestra played anew.

MOTHERS' STUDY CIRCLE

The Mothers' Study Circle of the Pacific Avenue school met at the schoolhouse Thursday at 2 p. m. This meeting was of special interest because of the presence of Mrs. C. H. Toll, chairman of the Mutual Benefit Reading Circle, which meets at her home on Kenneth road, and has earned the distinction of being accorded premier place among the mothers' circles of America, by the United States Department of Education. Mrs. Toll was accompanied by Mrs. N. C. Kelley and Miss Carrie Ormsby. Mrs. Toll conducted the reading of "Children's Rights." After the reading practical questions suggested by the book were discussed. The general trend of the discussion was to emphasize the feeling of those taking part that it is as important for a mother to be an efficient mother as for her to be an efficient teacher.

Those present besides the guests were: Mrs. R. A. Puffer, Mrs. Ward, Mrs. Frany Ayars, Mrs. Minette Sherman, Mrs. Snell, Mrs. Roach, Mrs. Warner, Mrs. Burnham, Mrs. Maloney, Mrs. C. H. Hollingsworth, Mrs. J. W. Begg, Mrs. J. P. Hilbert. The visitors were: Mrs. C. H. Toll, Mrs. N. C. Kelley, Miss Ormsby, Mrs. Penoche, Mrs. Woodyard, Mrs. Stone, Mrs. Wilson, Miss Webster and Miss Mosher.

EVANS SPEAKS FOR HUGHES

A small hand bill from Kentucky has come to the view of the editor of the Evening News, announcing that Hon. W. E. Evans of Glendale, California, would speak at a meeting of the Hughes-Fairbanks Club Saturday, Sept. 23, at Lily, Kentucky. Mr. Evans is visiting old Kentucky friends at present and being an ardent supporter of Chas. E. Hughes for president was ready to speak a word in his behalf.

PIONEER THIMBLE CLUB

The regular meeting of the Pioneer Thimble club was held Thursday at the home of Mrs. Ira D. Vinton, 1537 Pioneer Drive. There was a full attendance of members. One guest was also present. A profitable and entertaining afternoon was spent. Delicious refreshments were served.

GLENDALE HIGH

SHAKEUP IN BASKETBALL TEAM —LEHMAN CRANDALL'S PARTY —GIRLS' STUNT PARTY

A shakeup was made in the Senior basketball team Friday by Coach Ferguson. From this time on the team will be under very rigorous training in an effort to produce a championship squad. The Seniors need basketball to win the Faries Cup, and under Mr. Ferguson's direction they promise to put up a good fight.

Another team which will be a strong contender for the basketball chamionship this year is the Junior team led by Lawrence Davis. The following men are trying out for places on the team: Myron Powers, Verne Nyman, Milton Brown, Emerson Padelford, Seymore Smith, William Reese, Allan Houdyshel and Walter Beach. Captain Davis reports good work-outs in the past week.

Don Wieman is the newly elected yell leader of the Sophomore class.

Lehman Crandall gave a stag party at the Palace Grand yesterday evening which filled up a whole row in the 10-cent section. The guests were: Bill Balthis, Carleton Tennis West, Miller Fischel, Irving Westwood and Kenneth Beldin.

Mr. Cowan, publisher of the Glendale Evening News, delivered an address on the subject of journalism Friday, before a capacity audience in Miss Knepper's English room. The speaker emphasized the necessity of being able to express one's thoughts in a plain and simple manner, and reviewed the errors commonly made by young writers. In defining his ideas of a model newspaper he strongly denounced sensational journalism. Attention was called to the fact that every word printed in a newspaper becomes a more or less permanent record, and may be referred to often in the future. It is therefore important that accounts handed to the local press should be accurate and devoid of personalities. Mr. Cowan's address did a great deal toward giving Miss Knepper's class in journalism a better understanding of what is required in newspaper work.

Evading the vigilant sleuthfoot and the nimble janitor, fifty young men enjoyed, at interrupted intervals, the wonderful display of costumes that featured the girls' stunt party held at the Masonic Temple yesterday evening. That it is a difficult matter for one person, no matter how imposing and tenacious he may be, to keep fifty young fellows away from twenty windows was proved, when re-inforcements were rushed to the front. Guarding the front door were Maxwell Sherriger, Ed Seay, John Sharpe and Olin Wilson.

The stunt party was the most brilliant success of the season. Originality marked the costumes, which were half the fun, and unconfined mirth ruled the hour. Stunts such as were never seen before, and games and dancing had all been arranged by the Senior girls, and there was not a hitch to mar the gladness of the evening. About one hundred fifty girls were present and a handsome profit is reported by the committee in charge.

The clever stunt of the Faculty won first prize over those of the various classes. The dignified teachers dressed as little girls, and performing all sorts of childish pranks, made the hit of the evening. Marjorie Imler and Catherine Phillips tied with Cecelia Lyons and Jean Anderson for the best costumes, and Merle Frentz won second.

AULD LANG SYNE CLUB

There was a good attendance at the meeting of the Auld Lang Syne club, which assembled Thursday at the home of Mr. and Mrs. Will Hilliker, Glenwood Drive, Eagle Rock. The Auld Lang Syne club is an association of ladies who were resident in Garden Grove, Orange county, when they were girls. Nearly all of the members of the club went to school together, or went to the same school. They were brought up with a common outlook on the affairs of life and find that their common training in earlier days is still a bond of union.

Among those present were Mrs. W. M. Crawford of 914 S. Central avenue, Glendale; Mrs. Harry Fitch of Burbank, and Mrs. Mayme Vertress of Burbank. Others were present from Santa Ana, Garden Grove and other neighboring centers. The society meets every two weeks. A delightful dinner was served and a pleasant time of reminiscence enjoyed.

A Dairy That Needs No Sanitary Legislation

Long before laws and ordinances were passed in regard to sanitary conditions of dairies and the handling of milk, MacMullin's had a sanitary dairy in every sense of the word, and all sanitary requirements were courted.

MacMullin's dairy not only complies with all laws and ordinances, but meets more sanitary conditions than are required, and has justly won the reputation of being "the Most Sanitary Dairy in the San Fernando Valley."

MAXWELL MAKERS BREAK PRODUCTION RECORDS

Records that are already enormous are being broken almost every month at the Maxwell factories at Detroit. A letter received by Geo. E. Clayton of the local Maxwell Agency yesterday, stated that in August the production reached five hundred and thirty-two cars in one working day, which is one in about 55 seconds. The production for August went over 12,000 as compared with 573 in August, 1913, 2156 in August, 1914, and 4667 in August of last year.

Mr. Clayton said yesterday: "The new cars which arrived last week are certainly going like hot cakes. All our previous sales records have been smashed and more cars are already ordered from the factories. The new car has several important improvements added since September first, a new windshield with overlapping upper glass which makes it raintight, new and longer springs that add to the comfort of those who ride as do the new deeper cushions and longer, wider seats. There is now a gasoline gauge and dash-light on every Maxwell and a number of other betterments have been made that are pleasing buyers immensely."

Three shipments of forty carloads each were recently made from the Maxwell factories to dealers in Portland, San Francisco and Los Angeles, for distribution on the coast. The total value of these enormous trainloads goes considerably over the half million dollar mark, and affirms the statement made by Mr. Clayton the other day that "in no previous year have the people of California and the West been so enthusiastic about motor cars, and never before has so much money been expended for low priced cars such as the Maxwell."

CALIFORNIA'S BANNER APPLE DISTRICT TO HOLD BIG SHOW

Yucaipa's fifth annual apple show, to be held October 5th, 6th and 7th, promises to be a big event. Other districts will also participate in the big show.

Los Angeles produce merchants are showing great interest in the Yucaipa district and will undoubtedly be well represented there. Yucaipa apples have taken a prominent place in the apple market. At present there are about four thousand acres in orchard and planting is continually going on.

Yucaipa's show will demonstrate that California produces apples of the finest quality. Arrangements for excursion rates are made on all roads, and the best of highway extends from all the Southland to Yucaipa.

SUCCESSFUL CHURCH PARTY

The ladies of the Holy Family Roman Catholic church held a most successful progressive whist party in aid of the building fund for the new church, at the home of Mrs. Gavin, 530 Moore avenue, Thursday. There was a large attendance, more than sixty ladies being present. A large sum of money was raised. Those who won prizes were: Mrs. Duffet, first prize; Mrs. Hendricks, second prize; and Mrs. C. Reis of Los Angeles, third prize.

The next party will be held at the Casa Verdugo grounds, when Mrs. Whittemore, Miss Lafaye, Miss Margaret Studebaker, Miss Viola Yorba, and Miss Bertha Fangmann will be hostesses.

FORDS IN MIX-UP

When E. C. Rice of Glendale was turning around with his Ford on West Broadway Saturday noon he was ably assisted by another Ford driven by Chas. Albert La Kamp, of Meeker, Colorado, is a visitor at the home of his relative, Mrs. Laura Steele, 1528 Lorraine street.

Mrs. J. L. McOmber, 552 E. Broadway, and her daughter Margaret, returned Friday from a five weeks' visit to relatives and friends in El Paso, Ill.

Mr. and Mrs. Hugh Parks, 154 W. Tenth street, Tropico, are moving to Los Angeles, where Mr. Parks will be closer to his business. He is connected with the Owl Drug store.

Word has been received from John B. McBratney, proprietor of the Irish Linen Store on Brand Blvd, that he has left Ireland and will arrive home the middle of next week.

Mrs. Mabel Ocker, of 1498 W. Third street, is at Long Beach, where she will spend several weeks as the guest of Miss Grace Schermerhorn.

Mr. and Mrs. Howell and her mother, Mrs. Allison, of W. Third street, are leaving for New York, where they will take up their permanent residence.

The Rev. J. H. Henry, 914 S. Central avenue, is about to leave Glendale to take charge of the Methodist-Episcopal church at Seeley, Imperial county. Dr. Henry has served a lifetime in the Methodist ministry.

Mrs. J. M. Peoples of Melrose avenue, Mrs. Charles Sharp of Melrose avenue and Mrs. J. E. Eckles of Viola street, who had been spending a week at Long Beach, returned Friday, much benefitted by the change.

Charles Rathbone, 1621 Patterson avenue, and C. Brubaker, 1541 Patterson avenue, are about to leave for Detroit, where they will occupy themselves with business. Their respective families will spend the winter in Glendale.

Mrs. W. L. Andrews of 1552 Pioneer Drive, and Miss Mina Veach of 1534 Pioneer Drive, spent Thursday in Long Beach with Mrs. J. Maloy and daughter, Miss Jennie. Mrs. Maloy and daughter are of Chicago, but have been spending the summer in Long Beach and Los Angeles.

You will enjoy a real treat if you come next Monday, Oct. 2, to the regular Monday meeting of the J. O. C. class of the First Methodist-Episcopal church, to be held at the home of Mrs. Jack Wagnon, 125 S. Kenwood. Mrs. Reeder, president of the J. O. C. Union, will be present. Make an effort to be on hand..

Mrs. C. R. Carmack, 715 N. Central avenue, Tropico, received this week a letter from Harry Kendall, and Mrs. Kendall, her relatives, who started some time ago to motor to Indianapolis, Ind. They had reached Kansas City without mishap and had greatly enjoyed the journey to that point. They found good roads and at times made 200 miles a day.

Mrs. E. A. Bode, wife of E. A. Bode of 306 Orange street, left the fore part of the week for New York City, where she intends to spend an old-fashioned Eastern winter with her mother and father, who are both past 73. Mrs. Bode will travel over the Salt Lake line to Chicago and thence to Washington, where she will remain several days. From Washington she will go to Baltimore, where her father's twin sister resides. She will spend some time there. From Baltimore Mrs. Bode will go direct to the home of her parents in New York City.

The other day a Glendale woman phoned to Mrs. Nanno Woods, president of the Garden society, saying she wished to sell the beautiful fern that took first prize at the Free Flower Show last spring and asking Mrs. Woods if she knew of a buyer. Mrs. Woods said she knew of a woman who might buy the fern and that she would try to get into communication with her. In less than ten minutes this lady came into Mrs. Woods office and hearing about the fern got into her car and went and purchased it. In half an hour from the time of the first message Mrs. Woods received a second call came thanking her for having made the sale.

will hardly believe that John Pierson of Batavia, N. DINNER PARTY

Mr. and Mrs. J. J. Davis of 900 Damasco Court entertained at an elaborate dinner party Friday evening for Mr. and Mrs. W. J. Clendenin and Rev. and Mrs. F. A. Field and Miss Field. The pink color scheme was carried out by means of cosmos, carnations and Cecil Bruner roses, which were used in abundance. The delicious five-course dinner and the pleasant evening which followed were heartily enjoyed by the guests.

RAINFALL 1.15 INCH

Glendale was visited early Saturday morning by the first heavy rain of the season. The downpour was steady and sometimes heavy. By noon the rainfall amounted to 1.15 inches. There has been no rain at this time of the year, unless a mere trace, since September 1911, when the rainfall was 1.8 inches.

EPWORTH LEAGUE SOCIAL

The Epworth League of Casa Verdugo M. E. church held a social and entertainment, Friday evening, in the Central avenue schoolhouse. A pleasing program was presented. Miss Mary Ellen Jones of Long Beach gave several readings with real artistic finish. Mr. J. B. Clark sang some songs in excellent style. A quartet, Mr. and Mrs. Jones and Mr. and Mrs. Clark, sang in a pleasing fashion. A drill song in sailor costume was given by six little boys who looked, sang and acted their parts with much credit to themselves and pleasure to the audience. The boys were: Jack Clark, Eugene Clark, Paul Tyrell, George Tyrell, Paul Bettis, Ralph Eckles, Myron West. The proceeds of the social, which was a great success, will be donated to the Dry Federation work.

CLUB MEMBERSHIP

The following ladies have applied for membership in the Tuesday Afternoon club: Mrs. H. L. Baker, 1551 Milford street, and Mrs. E. F. Andrews, 201 N. Maryland avenue.

J. F. LILLY SAYS NATIONAL BANK NOTES ARE STRONGER THAN GOVERNMENT BONDS

The currency issued by National Banks, known as National Bank notes, is a little more secure than a Government bond. This may surprise the inquirer who asked in your issue of the 28th inst. what security there is back of such money.

The organizers of a National Bank, before beginning business, must go into the open market and purchase U. S. Government bonds in an amount not less than one fourth of the proposed capital of the bank. These bonds are deposited with the Treasurer of the United States as security for the issue of the notes (currency) of that bank. The bank is then permitted to issue such notes up to the face value of the bonds thus deposited.

If the bank desires to issue more money than this sum, it will be under the necessity of purchasing additional Government bonds to equal in face value the amount of additional currency it desires to issue, and deposit these additional bonds with the U. S. Treasurer.

No bank, however, can issue currency in excess of the amount of its capital stock, and every dollar of such money must be backed by Government bonds in an equal amount.

It will therefore be seen that the holder of such currency not only has the local bank back of his money, but the U. S. Government as well, which, theoretically at least, makes such currency a little stronger than a Government bond.

—J. F. LILLY.

SHAKESPEARE SECTION

The Shakespeare Section of the Tuesday Afternoon club will meet Monday, October 2, at 2 o'clock, at the home of the chairman, Mrs. Menzo Williams, 1325 N. Central avenut. Mrs. Mazie Fullman Garrett will be the instructor and Cymbeline will be the study. Any member of the Tuesday Afternoon club interested in the study of Shakespeare is cordially invited.

Scientific Proof of Maxwell Fuel Economy

In a test made by David L. Gallup, M. E., Professor of Gas Engineering, Worcester Polytechnic Institute, a stock Maxwell Touring Car made from 23 to 33.7 miles per gallon of gasoline at speeds ranging from 10 to 35 miles per hour. We reproduce a letter from Professor Gallup concerning this test.

Maxwell Motor Co. Inc.,

Gentlemen:-

I beg leave to submit the enclosed blue print giving the results of an economy test made on a 1917 Stock Maxwell Touring Car, furnished by your Boston representatives.

The curve is self explanatory and needs no discussion other than the statement that the carburetor, which was stock, was adjusted to give the best combination of power, flexibility, speed and economy, for such conditions of touring as would ordinarily be encountered.

In tabular form the results (taken from the curve sheet) are as follows:

SPEED (Miles per hour)	ECONOMY (Miles per gallon)
10	33.7
15	32.7
20	31.2
25	28.8
30	26.1
35	23.0

Respectfully submitted,
D. L. Gallup.

DLG/K

NOTE that no unusual means were employed to get these results. The car used was taken from stock; the test was made with a full load and with top and windshield up; the regular Maxwell carburetor was used.

Any Maxwell car is capable of giving this same economy in gasoline consumption.

Maxwell operating economy matches its economy in first cost, making it *The World's Greatest Motor Car Value.*

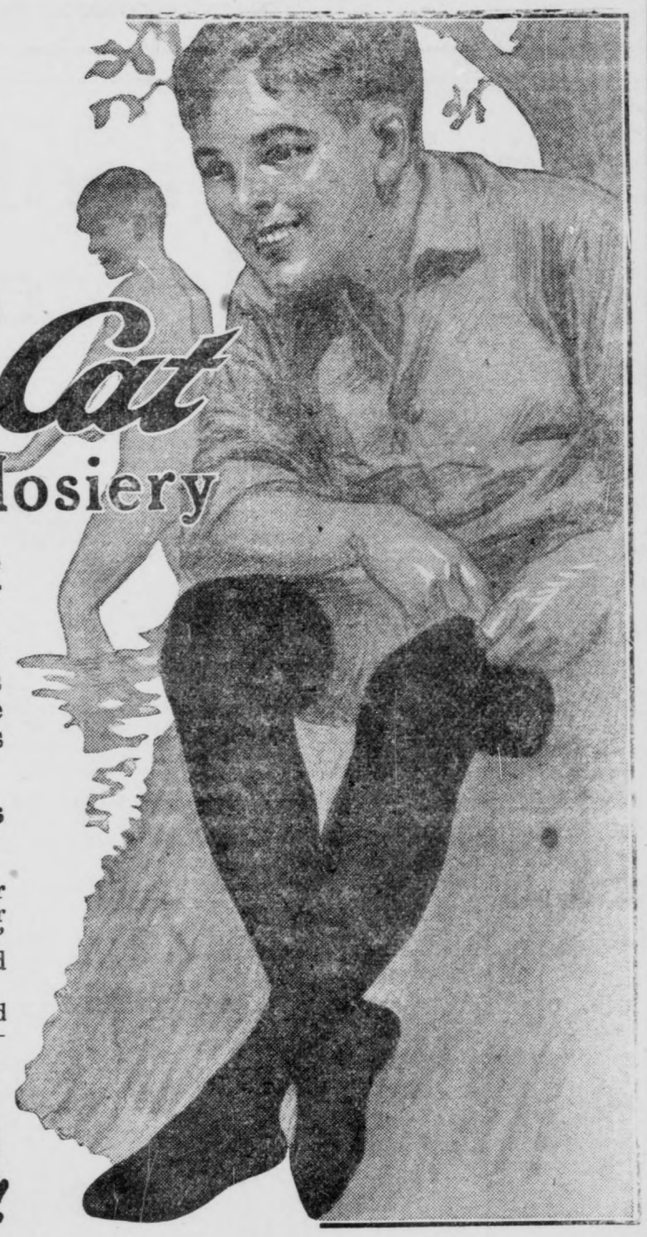
Come To Our Store *for* Black Cat Reinforced Hosiery



THIS is the biggest hosiery value we can offer our customers for their youngsters.

Come in and inspect for yourself the extraordinary wear features that make us want to tie up the reputation of our store with this world famous family brand.

Inspect the Black Cat numbers for Boys and Girls

Examine the different weights for School wear and Sunday wear. Ask our clerks to show you the triple, "play-proof" knee. Then take a look at the reinforced heel and toe—the "darn-savers."

We have Black Cat Reinforced Hosiery here for both boys and girls—handsome in appearance and dyed with permanent dyes that can't injure the kiddies' feet.

After you've once bought Black Cat for your youngsters, remember that we have this peerless hosiery for all the family. You'll appreciate our point that this is the store of BIG values.

LUTHERAN CHURCH

The Lutheran church of this city wishes to announce to all Lutheran people of the vicinity, friends and strangers, their services are open and free to all. Sunday school is at 10 o'clock. At 11:00 o'clock the pastor will preach on the timely topic, "How the Lord Jesus Hated Shams." There is no evening service. Come and you will receive a warm welcome, by the mother church of all Protestantism; that has never been disturbed by higher criticism, a revision of its faith, or any like thing. The Gospel is preached in its purity and pious and devout living is always demanded.

CHRISTIAN CHURCH

Rev. J. K. Ballou will preach. The sermon subjects will be: Morning, "Building the Church of God;" evening, "Wrestling With Life's Problems." These subjects indicate a strong desire on the part of Mr. Ballou to be of service in presenting practical ideas, for they touch both parts of the Christian's life, that of the church and that of the world. If you are present you will be well repaid. Advertise these services among your friends.

The Bible school hour is 9:30.

Christian Endeavor is at 6:30, preceded by the Mission study at 6 o'clock.
